STANDARDS FOR ADULT DAY SERVICES IN VERMONT

I. Definition and Goals of Adult Day Services

- A. Definition: Adult day services are community-based non-residential services designed to assist adults with physical and/or cognitive impairments to remain as active in their communities as possible by maximizing their level of health and independence and ensuring their optimal functioning. Adult day centers provide a safe, supportive environment where participants can receive a range of professional health, social and therapeutic services. Adult day services also provide respite, support and education to family members, caregivers, and legal representatives.
- B. Adult day centers shall meet the following goals:
 - 1. Foster respect, dignity, and a sense of well being for the individual being served.
 - 2. Respect individual rights, strengths, values, privacy, and preferences, encouraging individuals to direct and participate in their own plan of care and services to the fullest extent.
 - 3. Promote the individual's optimal level of independence in a community-based setting.
 - 4. Maintain and, where possible, enhance the individual's present level of functioning as long as possible, preventing or delaying a more restricted life style.
 - 5. Foster the development and maintenance of social skills and interaction.
 - 6. Promote support, respite and education services for family members, caregivers, and legal representatives.
 - 7. Serve as an integral part of the community service network.

II. Certification Process for Adult Day Centers

- A. Initial Certification: In order for an adult day center to become certified to provide services through Department-administered programs in accordance with the Policy on Adult Day Funding, the center shall meet the Vermont Standards for Adult Day Services as outlined in this document. Certification by the Department also fulfills the Centers for Medicare and Medicaid Services (CMS) definition of "state certified" in regards to the eligibility criterion for Medicare beneficiaries. The certification process is as follows:

1. New adult day centers shall contact the Department to schedule an initial certification visit.
 2. The Department shall complete a site certification assessment form after the visit, citing standards as “met” or “unmet”.
 - a. If all standards are met, the adult day center shall be certified.
 - b. If any standards are unmet, the application for certification shall be denied. The program may bring the unmet standards into compliance and reapply for certification.
- B. Maintaining Certification: An adult day center must continue to comply with the Vermont Standards for Adult Day Services for certification to remain in effect for up to one year from the effective date or until the time of the next state certification review.
1. The Department shall perform an unannounced site certification review at previously certified adult day centers at least once a year.
 2. The Department shall complete a site certification assessment form after the visit, citing standards as “met” or “unmet”.
 3. If any Standard is unmet, within 25 working days the adult day center shall develop and submit to the Department a plan of action, including timelines for completion, to comply with all of the Standards for Adult Day Services in Vermont.
 4. If the plan of action is not accepted in full, the adult day center shall submit a revised plan within 15 working days.
 5. If the revised plan of action is not accepted in full, the Department may take one or more of the following actions:
 - a. Withhold State-funding monthly and/or base payments (for those adult day centers that receive state funding).
 - b. Suspend Certification.
 - c. Revoke Certification.
 6. The Department may perform an unannounced site visit at any time to verify that the center is operating in compliance with the Standards for Adult Day Services in Vermont.

7. Current certificate of certification shall be publicly displayed at the adult day center.
8. An announcement stating that the annual site certification assessment is available to the public upon request shall be posted next to the current certificate of certification.

III. Governing Body

- A. An adult day center shall have a governing body.
- B. The governing body shall hold the full legal authority and responsibility for the operation of the adult day center.
- C. A governing body membership list shall be kept on file at the center and shall include the names, addresses, and telephone numbers of the governing body members.
- D. The governing body shall be responsible for developing philosophy and mission statements that reflect the needs of the participants and their family members/caregivers/legal representatives as well as the care and services the center is committed to providing.
- E. The governing body shall meet at least quarterly. Agendas and minutes shall be on file at the adult day center to verify times, content, and attendance for each meeting.

IV. Quality Assurance Process: A quality assurance process shall be in place to assess, monitor, and improve the quality of the program and the services provided on an ongoing basis, including compliance with the Standards for Adult Day Services in Vermont and the Home Based Medicaid Waiver Policies and Procedures.

- A. The quality assurance process shall include a quality assurance and improvement committee.
 1. The adult day center shall maintain a quality assurance and improvement committee consisting at a minimum of persons responsible for administration, program coordination, health coordination, social work, and activities coordination, or their designees.
 2. The quality assurance and improvement committee shall meet at least quarterly. Minutes shall be on file at the center to verify times, content, and attendance for each committee meeting.
- B. The quality assurance process shall include an annual program evaluation.

1. The center shall have a written plan for an evaluation of its operation and services. The plan shall include the timetable for initiating and completing an annual evaluation, the areas to be addressed, and the methods to be used in conducting it.
2. The parties to be surveyed in an annual evaluation shall include, but not be limited to:
 - a. Governing body members.
 - b. Program staff.
 - c. Participants.
 - d. Family members/caregivers/legal representatives of participants.
 - e. Other community agencies/organizations.
3. The annual evaluation shall focus on the extent to which the center is:
 - a. Fulfilling the mission statement.
 - b. Providing quality services to the participants and their family members/caregivers/legal representatives.
 - c. Ensuring consumer satisfaction.
 - d. Operating efficiently and effectively.
 - e. Coordinating and collaborating with the rest of the community service network.
4. Annual written summary report
 - a. An annual written summary report of the program evaluation shall include the results of section 3 above from all parties surveyed, with a plan including goals and objectives to further strengthen and/or improve program quality based on these results over the upcoming year.
 - b. A copy of the annual written summary report shall be kept on file at the center.
 - c. An announcement stating that the written summary report of the annual program evaluation is available to the public upon request shall be posted next to the current certificate of certification.

V. Staff: The following section applies to persons employed full-time or part-time by the adult day center.

A. There shall be a written, dated job description for each staff position that specifies at least:

1. Qualifications for the job.
2. Job responsibilities.
3. Line of supervision.

B. An adult day center shall have a qualified administrator and/or program coordinator who is responsible for meeting and maintaining continual compliance with the Standards for Adult Day Services in Vermont and all relevant federal, state, local or municipal laws, regulations, policies, and/or procedures.

1. Administrator

a. An administrator shall have the following minimum qualifications:

1. A Master's Degree with 1 year supervisory experience and preferably with 1 year fiscal management experience; OR
2. A Bachelor's Degree with 3 years supervisory experience in a social or health service setting and preferably with 1 year fiscal management experience; OR
3. Comparable technical and human service experience, fiscal management experience, and demonstrated competence as a manager, preferably in a health or human service setting.

b. Job responsibilities of an administrator shall include, but not be limited to fiscal management and development, coordination, supervision, and evaluation of services provided by the adult day center.

c. Depending on the organizational structure of the adult day center, the same individual may fulfill the administrator and program coordinator positions. In this case, the individual shall have the minimum qualifications for the administrator.

2. Program Coordinator

- a. A program coordinator shall have the following minimum qualifications:
 - 1. A Bachelors Degree in health or social services or a related field, with 1 year supervisory experience in a social or health service setting; OR
 - 2. Comparable technical and human service training with demonstrated competence and experience as a manager in a health or human service setting.

Job responsibilities of a program coordinator shall include, but not be limited to organization, implementation, and coordination of the daily operation of the adult day center in accordance with participants' needs and any mandatory requirements under the direction of the administrator.

C. Staff Presence

1. Definitions of staff

- a. Administrative staff are those staff who are not actively involved with the participants, are not immediately available to meet participants' needs, but who do provide resources and support to direct service staff, and who may or may not work on site.
- b. Direct service staff are those staff who work on site, are actively involved with the participants, and are immediately available to meet participants' needs.
- c. Dual-role staff are those staff who provide direct services to participants as well as provide resources and support to direct service staff.

2. Staff-participant ratio

- a. During hours of operation, there shall be a sufficient number of responsible persons to safely meet the needs of those participants present, including one full or part-time staff member. The direct services staff-participant ratio shall be a minimum of one to seven.
- b. As the number of participants with functional or cognitive impairments increases or the severity of the impairment increases, the direct services staff-participant ratio shall be adjusted accordingly to meet the needs of the participants.

Paid program consultants and contractors, persons working under agency contract, and volunteers may be included in the direct staff-participant ratio only when they are performing the direct service job tasks and responsibilities defined in a job description and meet the qualifications necessary to fill that position.

3. On-site supervision: A qualified staff member shall be designated to supervise the center in the absence of the person responsible for administration/program coordination.

D. Adult day staff dedication in a shared facility

1. Any adult day center that shares a facility with another type of program or service (I.e. a nursing home, residential care home, or senior center) shall have dedicated staff with hours that are committed to the adult day center only.
2. Documentation shall be kept to verify which staff are committed to the adult day center and how many hours they work in the adult day center on a daily basis.

VI. Paid Program Consultants or Contractors: The adult day center shall maintain a written contract or letter of agreement on file at the center for each paid consultant or contractor providing direct participant services.

VII. Agency Contracts: The adult day center shall maintain a written contract on file at the center with each agency in which at least the following components are included:

- A. Responsibilities and/or services to be provided.
- B. A statement indicating the estimated (anticipated) time commitment (hours/week, duration) as applicable.
- C. Assurance that the agency shall provide persons with the appropriate qualifications or licensure to provide the services outlined in the written contract.
- D. Designation of the responsibility for the following to either the agency or the adult day center:
 1. Compliance with all required Agency of Human Services policies.
 2. Completion of adult abuse registry checks.
 3. Completion of criminal background checks.

VIII. Program Administration

- A. Written personnel policies shall be adopted and shall be on file at the adult day center.
- B. Documentation shall be on file at the center showing that all staff currently meet the minimum qualifications needed to qualify for their jobs.
- C. An adult day center shall comply with the mandated reporting of abuse, neglect, and exploitation pursuant to Vermont State Law.
- D. Abuse Registry Checks
 - 1. An adult day center shall conduct abuse registry checks through Adult Protective Services, Division of Licensing and Protection.
 - 2. Abuse registry checks shall be performed for:
 - a. Persons employed full-time or part-time by the adult day center.
 - b. Paid consultants or contractors who provide direct services to participants.
 - c. Persons working under agency contract who provide direct services to participants.
 - d. Volunteers who provide unsupervised direct participant services.
 - 3. An adult day center shall not employ an individual whose name appears on the Vermont Adult Abuse Registry.
- E. Criminal Background Checks
 - 1. An adult day center shall conduct criminal background checks through the Vermont Criminal Information Center.
 - 2. Criminal background checks shall be completed for:
 - a. Persons employed full-time or part-time by the adult day center.
 - b. Paid consultants or contractors who provide direct services to participants.
 - c. Persons working under agency contract who provide direct services to participants.

- d. Volunteers who provide unsupervised direct participant services.

F. Orientation Policy

1. An orientation policy shall be developed and implemented for the following:
 - a. Persons employed full-time or part-time by the adult day center.
 - b. Paid consultants or contractors who provide direct services to participants.
 - c. Persons working under agency contract who provide direct services to participants.
 - d. Volunteers who provide unsupervised direct participant services.
2. Documentation of orientation training provided to the individuals listed above shall be on file at the adult day center.

G. Training Policy

1. A training policy shall be developed and implemented for all persons employed full-time or part-time by the adult day center. Staff shall possess skills, education, and experience to serve the population in a manner consistent with the philosophy of the adult day center.
2. Amount of staff training
 - a. For each direct service staff, a center shall provide a minimum of 12 hours of training per year that will build his/her capacity to provide quality adult day services.
 - b. For administrative staff, a center shall provide training as necessary.
 - c. For each dual-role staff, a center shall provide a minimum of 12 hours of training per year and additional administrative training as necessary.
3. Documentation of staff training shall be kept on file at the adult day center to verify the topic, the number of hours, and the attendance.

IX. Program Policies: An adult day center shall comply with all applicable State and Federal laws and regulations, including all applicable Vermont State Agency of Human Services policies. In addition, an adult day center shall develop, implement, and have the following policies on file at the center reflecting current practice. If the adult day center is part of a larger organization, adult day specific policies shall be in place. These policies shall be made available upon request to the public.

- A. A smoking policy for staff and participants that is in accordance with Vermont state law. This policy shall be posted in a public place in the adult day center.
- B. An infection control policy that outlines how the center will provide a safe, sanitary, and comfortable environment and to help prevent the development and transmission of disease and infection, including blood born pathogens and using universal precautions.
- C. An emergency evacuation plan. This plan shall be posted in a public place in the adult day center.
- D. A policy addressing conflict of interest and the appearance of conflict of interest.
- E. A records retention policy.
- F. A policy regarding the confidentiality of participant records.

X. Participant Policies: An adult day center shall comply with all applicable State and Federal laws and regulations, including all applicable Vermont State Agency of Human Services policies. In addition, an adult day center shall develop, implement, and have the following policies on file at the center reflecting current practice. The policies in this section and any subsequent revisions made to them shall be submitted to and approved by the Department. Upon enrollment, every participant and/or his/her family member/caregiver/legal representative shall be informed of and provided a copy of all of the policies in this section in a format or language they can understand. A signed acknowledgement of the receipt of these policies shall be on file in each participant's file at the adult day center. These policies shall be made available upon request to the public.

- A. A non-discrimination policy shall state that no individual shall be excluded from participation in or be denied the benefits of the adult day center by reason of age, disability, race, gender, sexual orientation, religion, or national origin.
- B. A participants' rights policy shall include, but not be limited to, the rights outlined in this section. A participant bill of rights shall be posted conspicuously in a public place in the adult day center.
 - 1. The right to be treated as an adult, with respect and dignity.

2. The right to participate in a program of services and activities that promotes positive attitudes about one's usefulness and capabilities.
3. The right to participate in a program of services designed to encourage learning, growth and awareness of constructive ways to develop one's interests and talents.
4. The right to be encouraged and supported in maintaining one's independence to the extent that conditions and personal circumstances permit, and to be involved in a program of services designed to promote personal independence.
5. The right to be cared about in an atmosphere of sincere interest and concern in which needed support and services are provided in accordance with the individual plan of service.
6. The right to privacy and confidentiality.
7. The right to be free from chemical restraints and unnecessary mechanical restraints.
8. The right to self-determination to the maximum extent possible through informed consent.
 - a. Self-determination is defined as a participant's right to choose the lifestyle, residence, medical care, and support services which best meet his/her individual needs and wishes.
 - b. Informed consent is defined as a process by which a participant or a participant's legal representative makes choices or decisions; including the right to accept or refuse services.
 1. An adult day center shall support the participant or the legal representative in making choices or decisions by providing information about the possible options, and the potential consequences of these options. To participate in this process, the participant and/or the participant's legal representative must be mentally competent and able to understand the potential consequences of the decision, free from any coercion, and fully informed about the options and their potential consequences.
 2. An adult day center shall support a participant's informed choice regarding life, liberty, and the pursuit of health and happiness, unless the participant's actions or decisions put other persons at risk of significant harm.

3. When a participant is capable of making informed choices, an adult day center shall support his/her right to be involved in decisions about the types and volumes of services he/she will receive.

C. An enrollment policy shall include the following:

1. Participant eligibility criteria.
2. Prioritization Policy
 - a. The prioritization policy shall describe how a center will prioritize requests for hours of service from new enrollees and/or to enrolled participants who have requested additional hours.
 - b. Adult day centers shall make every reasonable effort to serve first those applicants most at risk of institutionalization, while balancing the needs of other participants and the ability of the center to meet the applicant's needs.
 - c. The prioritization policy may not discriminate based on age, disability, race, gender, sexual orientation, religion, or national origin. (See non-discrimination policy in section A above.)

Maintain a waiting list as appropriate, including the date of placement on the waiting list and anticipated source of reimbursement.

3. Procedure for enrolling a new participant.

D. An advance directive policy shall state that upon admission, an adult day center will explain the participant's right under state law to formulate, or not to formulate, an advance directive.

E. A medical emergency policy shall be posted in a prominent place which is readily visible to staff. The medical emergency policy shall include:

1. The requirement to call 911 in case of a medical emergency.
2. The requirement for the center to have a portable basic emergency information sheet and release of information for the hospital and ambulance on file for each participant.
3. The requirement that the portable basic emergency information sheet and a release of information for the hospital and ambulance shall accompany

each participant when s/he leaves the center for any reason, including but not limited to a trip to the hospital or any center-sponsored event.

- F. An adult day center shall have the capacity to administer medications to their participants. A medication management policy shall describe a center's medication management practices with due regard for state requirements including the Vermont State Nurse Practice Act. At a minimum, the policy shall cover the following:
1. Staff shall only assist with or administer prescription medication or over-the-counter pain medication for which there is a physician's written order.
 2. An adult day center shall provide medication management under the supervision of a registered nurse or a licensed practical nurse under the direction of a registered nurse.
 3. An adult day center shall ensure that a participant's medications are reviewed by a registered nurse upon enrollment, every six months, or more frequently as significant changes occur to ensure that all participant medications have either a supporting diagnosis or health problem.
 4. All medicines shall be labeled in accordance with currently accepted professional standards of practice.
 5. A participant may self-administer medication, however the medication must be stored by the adult day center.
 6. All prescription and over the counter pain medications that participants bring to the program are:
 - a. Stored in an area specifically designed for medications.
 - b. Stored in a secure area.
 - c. Stored in an area separate from the program's activity areas.
 - d. Stored in an area that has appropriate temperature control.
 7. An adult day center shall have written procedures for disposing of outdated or unused medication, including designation of a person or persons with responsibility for disposal.
 8. If a participant requires medication administration, unlicensed staff may administer medications under the following conditions:
 - a. There is a physician's written order on file.

- b. A registered nurse has conducted a nursing assessment.
 - c. A registered nurse or a licensed practical nurse under the direction of a registered nurse has delegated administration of specific medications to designated staff for designated participants.
 - d. A registered nurse or a licensed practical nurse under the direction of a registered nurse retains responsibility for the proper administration of medications, including:
 - 1) Teaching designated staff proper techniques for medication administration and documentation and providing appropriate information about the participant's condition, relevant medications, and potential side effects.
 - 2) Establishing a process for routine communication with designated staff about the participant's condition and the effect of medications, as well as changes in medications.
 - 3) Assessing the participant's response to the medication and communicating with the medical personnel responsible for prescribing the medication as appropriate.
 - 4) Monitoring and evaluating the designated staff performance in carrying out the nurse's instructions.
9. An adult day center shall establish procedures for documentation of medication. At a minimum, this shall include:
- a. Documentation of the medication administration task that has been delegated and the training provided by a registered nurse to an unlicensed staff member for a particular participant, including the signatures of both the registered nurse and the unlicensed staff member to whom the task has been delegated.
 - b. Documentation of all medications administered, signature of the individual administering the medication, and (if applicable) interventions taken to prevent adverse outcomes.
 - c. Documentation of all instances of refusal of medications.
 - d. Documentation of all incidents of medication errors and interventions taken to prevent adverse outcomes.

- G. A restraint policy shall define the circumstances in which an adult day center would use mechanical or chemical restraints and shall be in compliance with Vermont's Adult Abuse Statute in accordance with Vermont State Law.
- H. An incident policy shall include, but is not limited to:
 - 1. Identification of incidents, including, but not limited to:
 - a. Events that adversely affect a participant's physical or emotional well-being.
 - b. Alleged cases of abuse, neglect, or exploitation.
 - 2. Prompt reporting of such incidents to:
 - a. An identified person(s) within the adult day center.
 - b. Family member/caregiver/legal representative as appropriate.
 - 3. Recording the essential facts of the incident, including the results of the incident and any actions which might have prevented the incident.
 - 4. Establishing an action plan that includes the adult day center's immediate effort to address the incident and the long-term effort to reduce risk in the future.
- I. An emergency closing policy shall outline how the adult day center will announce and/or contact participants when the center closes due to bad weather, emergency situations, etc.
- J. A grievance policy for resolving participants' concerns or complaints shall include, but not be limited to:
 - 1. Process and time frames for each step of the grievance process, including a final appeal to the Board of Directors.
 - 2. Responses to participants' grievances shall be made in writing.
 - 3. A written record shall be kept on each grievance.
- K. Involuntary discharge of a participant is the cessation of adult day services when the participant or the participant's family member/caregiver/legal representative has not requested or consented in advance to the cessation. An involuntary discharge policy shall include, but not be limited to:

1. An involuntary discharge may occur only when:
 - a. The participant's care needs exceed those which an adult day center is certified to provide; or
 - b. An adult day center is unable to meet the participant's assessed needs; or
 - c. The participant presents a threat to self or to other participants or staff; or
 - d. The participant has failed to pay for services in accordance with his/her signed billing agreement.
2. In the case of an involuntary discharge, an adult day center shall notify the participant and/or a family member/caregiver/legal representative of the specific reasons for the discharge in writing at least thirty (30) days prior to the discharge;
 - a. Include a statement that the participant may appeal a center's decision to the Department of Aging and Disabilities within fifteen (15) days of written notification;
 - b. Include a statement in the written notice that the participant may continue to attend the adult day center during the appeal; and
 - c. Include a copy of the center's grievance policy in a format they can understand.
 - d. Include the name, address, and phone number of the Vermont Senior Citizens Law Project OR Vermont Protection and Advocacy OR the Disability Law Project, as appropriate to the participant being involuntarily discharged.
3. An immediate involuntary discharge with less than a thirty (30) day written notice may occur only when:
 - a. The participant's physician documents that the involuntary discharge is an emergency measure necessary for the health and safety of the participant or other participants; or
 - b. A natural disaster or emergency necessitates the evacuation of participants from the center; or
 - c. The participant presents an immediate threat to the health or safety of self or others.

4. In any case of immediate involuntary discharge, the adult day center shall:
 - a. Notify the Department of Aging and Disabilities on the same or next business day.
 - b. Notify the participant and/or a family member/caregiver/legal representative of the specific reasons for the discharge in writing on the same or next business day.
 - 1) Include a statement that the participant may appeal a center's decision to the Department of Aging and Disabilities within fifteen (15) days of written notification; and
 - 2) Include a copy of the center's grievance policy in a format they can understand.
 - 3) Include the name, address, and phone number of the Vermont Senior Citizens Law Project OR Vermont Protection and Advocacy OR the Disability Law Project, as appropriate to the participant being involuntarily discharged.

XI. Participant Records

- A. Upon written or oral request, a complete copy of the contents of a participant's file shall be made available for review to the participant and/or the person(s) designated by the participant or his/her legal representative within three (3) working days.
- B. Complete participant files shall be made available to Department of Aging and Disabilities staff upon written or oral request.
- C. All contents of a participant's file shall be typed or legibly handwritten in ink, dated, with the name of the recording person with his/her title indicated.
- D. The adult day center shall maintain records for each participant that include, but are not limited to, the following:
 1. Intake: An intake form shall be completed with the participant and/or a family member/caregiver/legal representative prior to the participant attending the center. The intake form shall include enough information to ensure that the program has enough information about the participant to safely and appropriately meet his/her needs while at the adult day center.

The intake form may be the center's form or the form designated by the Department.

2. Medical information:

a. If a participant has a physician or a primary care provider, the center shall submit a written request asking for a report reflecting the current health status of the participant within thirty (30) days of the start of adult day services and shall include, but not be limited to, the following:

- 1) Findings or diagnosis(es), including communicable diseases.
- 2) Dietary needs.
- 3) Physician orders for treatments.
- 4) Medications.
- 5) Allergies.
- 6) Immunization record, if available.
- 7) Discharge summary, if the individual has been hospitalized within the last (3) months, if available.

b. The written request for a follow-up report shall be resubmitted to the physician or primary care provider within thirty (30) days of the anniversary of the initial report, and more frequently as significant changes occur.

3. A signed acknowledgement of receipt of the policies outlined in Section X.

4. Service Planning: Service planning is an inclusive process to enable the adult day center to serve the client to the best of its ability. The service planning process shall include the participant, staff, family members, caregivers, legal representatives, and other involved parties as appropriate. Adult day centers shall utilize a holistic framework in order to ensure that all of the clients' strengths and needs are identified and addressed as they pertain to the delivery of adult day services. Client is defined as the participant and/or family members/caregivers/legal representatives.

a. Timeline of Service Planning

- 1) The initial plan of service shall be written within thirty (30) days of the beginning of adult day services.
- 2) A review of each participant's assessment, data summary statement, plan of service, and progress notes shall be completed on a regular basis, but in no event any less frequently than every six months.

b. Components of Service Planning:

- 1) **Assessment:** Assessment is the process used to gather and analyze information to understand the strengths and needs of a client. The assessment form designated by the Department shall be completed for each participant. Additional assessment data may be collected as appropriate to gain a thorough understanding of the client.
 - i) Initial assessments shall be completed within thirty (30) days of the start of adult day services.
 - ii) Reassessments shall be completed within thirty (30) days of the anniversary of the initial assessment, and more frequently as significant changes occur.
 - iii) The health section of the assessment may only be completed by a registered nurse (RN) or a licensed practical nurse (LPN). The health section must be signed by the RN who completed it. If a LPN completed the health section, a RN must review and sign it.
- 2) **Data Summary Statement:** A data summary statement includes a description of the client and outlines client strengths and needs.
- 3) **Plan of Service**
 - i) **Focus Areas:** The focus areas are those areas of the assessment in which issues have been identified that need to be addressed with written goals.
 - ii) **Goals:** Goals describe the client-centered outcome(s) that will be achieved because service is provided. Whenever possible, goals shall be stated in measurable terms.

- iii) Actions: Actions describe the activities the staff or others (including the client) will carry out to assist the participant and/or family member/caregiver to achieve the goals.
 - 4) Monthly Progress Note: At a minimum, a monthly progress note shall be maintained. Sufficient daily and/or weekly data shall be documented in the participant file in order to support the content of the monthly note. The monthly progress note shall include the following components for each goal stated in the plan of service:
 - i) Date of note.
 - ii) Documentation of care given.
 - iii) Documentation of client outcome(s).
 - iv) New data, as appropriate.
 - v) Evaluation of goal.
 - vi) Statement regarding the continuation or revision of goal.
 - vii) Name, signature, and position of the individual writing the progress note.
 - 5) End of Service: Whenever possible, an adult day center shall arrange for the participant to receive services from other organizations, whether a voluntary or involuntary discharge at the end of service. The adult day center shall consult with and obtain permission from the participant and/or the family member/caregiver/legal representative before making appropriate community service referral(s). The adult day center shall document any end of service plans made for the participant.
5. Completed permission for release of information using the form designated by the Department.
- a. The permission for release of information shall be signed and dated by the participant or his/her family member/caregiver/legal representative within thirty (30) days of the start of adult day services, (or sooner if needed) on the same schedule as the assessment.

- b. The permission for release of information shall be signed and dated annually, within thirty (30) days of the anniversary of the initial review, on the same schedule as the assessment.
- 6. Accurate and complete documentation of daily attendance.
 - a. Daily attendance records shall document:
 - 1. The date of attendance
 - 2. The accurate time in and time out for each participant. The time in and time out may be rounded up or down to the nearest quarter hour.
 - 3. Daily attendance does not include time spent during transportation to or from the center.
 - b. Adult day centers shall submit the Monthly Report form designated by the Department accurately reflecting all hours of actual daily attendance and the correct funding source(s) for each participant.
 - c. Billing records shall reflect attendance as shown by the dates and times of attendance on the daily attendance records and shall comply with the attendance limits approved by the funding source.
- 7. All documentation as required by all applicable funding sources.
- 8. If a variance request is necessary per the Policy on Adult Day Funding, both the written request and the Department approval shall be on file.
- 9. Correspondence with family members, caregivers, legal representatives, or other community agencies/primary care providers.
- 10. Incident reports as indicated by center policy.

XII. Adult Day Services: Based on an established method for assessing the needs, competencies, abilities and interests of participants, a number of therapeutic activities and services shall be provided.

- A. Health Coordination:
 - 1. The staff member(s) providing health coordination services shall have a current Vermont Registered Nurse (RN) license and a minimum of 1 year

applicable experience. It is preferable that the experience is with elders and/or persons with chronic impairments.

2. Job responsibilities of the staff members providing health coordination services shall include but are not limited to completing health assessments for all participants, contributing to the development of a written plan of service for each participant/caregiver that is based on abilities and needs as identified in the assessment, evaluating and documenting the ongoing services provided for each participant, providing instruction and supervision to all direct care staff regarding each participant's health care needs and nutritional needs and delegating nursing tasks as appropriate, and practices according to the standards for registered nurses as identified in the Vermont Nurse Practices Act.

B: Social Work Services:

1. The staff member(s) providing social work services shall have a MSW and at least one year of professional work experience OR a BSW and 2 years of experience OR a current Vermont Registered Nurse (RN) license and 1 year of experience OR a Bachelors degree in another field and 2 years of experience in a human service field.
2. Job responsibilities of the staff member(s) providing social work services shall include but are not limited to participant/caregiver support, contributing to assessments and plans of service, assisting participants/caregivers to access and utilize community resources, discharge planning, and documentation of services provided.

C: Activities Coordination:

1. The staff member(s) providing activities coordination shall be Activity Consultant Certified (ACC) or Activity Director Certified (ADC) by the National Certification Council of Activities Professionals (NCCAP) OR shall have a Bachelors Degree in a related field and one year of experience in developing and conducting activities for the population to be served at the center OR comparable technical and human service training with demonstrated competence and experience in developing and conducting activities for the population to be served at the center.
2. Job responsibilities of the staff member(s) providing activities coordination shall include but are not limited to developing and implementing therapeutic activities for both individuals and groups, contributing to assessments and plans of service, and documentation of services provided.

D. The following services shall be provided to the client, depending on their individual needs.

1. Assistance with and supervision of Activities of Daily Living (ADLs) in a safe and hygienic manner; with recognition of participants' dignity and right to privacy; and in a manner that encourages the maximum level of independence. (ADLs include bathing, dressing, eating, toileting, transferring, and mobility.)
2. Planned individual and group activities
 - a. Program activities shall be available to all program participants.
 - b. A structured program plan of activities shall be available and posted daily to assist with orientation.
 - c. Participants shall be encouraged to take part in activities, but may choose not to do so or may choose another activity.
 - d. Participants shall be allowed time for rest and relaxation and to attend to personal and health care needs.
 - e. Activity programming shall be available during all hours of operation.
 - f. Programming shall take into consideration individual differences in age, health status, sensory deficits, life-style, ethnicity, religious affiliation, values, experiences, needs, interests, abilities, and skills by providing opportunities for a variety of types and levels of involvement.

Programming shall provide a balance of purposeful activities to meet the participants' interrelated needs and interests (social, intellectual, cultural, economic, emotional, physical, and spiritual).

Programming shall be designed to promote personal growth and enhance the self-image and/or to improve or maintain the functioning level of the participants to the extent possible within the setting.

The environment shall be conducive to facilitating activities and participants shall be assisted in maintaining maximum mobility and independence.

3. Depending on the level of need, health education and counseling shall be provided or arranged for at different levels of intensity for participants and/or their family members/caregivers/legal representatives.

4. When feasible, the center shall provide, formally arrange or contract for transportation to enable participants to attend the center.
5. Participants and their family members/caregivers/legal representatives shall be assisted in learning about and using community resources for financial, social, personal, recreational, advocacy, educational, health, caregiver support, and other services.
6. Coordination of community services for participants and/or their family members/caregivers/legal representatives shall be provided.

XIII. Nutrition and Food Services. An adult day center shall plan menus and prepare food according to the nutrition and food service standards outlined below.

A. Menus and Nutritional Standards

1. Monthly menus
 - a. When meal preparation occurs on-site, monthly menus shall be planned, written and posted at least one (1) week prior to the first of the month, or sooner as necessary in order to have the food supplies ordered and available to produce the menu as written.
 - b. When meals are catered, the monthly menu shall be planned, written and posted at least one (1) week prior to the first of the month.
2. Each meal served must provide at least one-third of the Recommended Dietary Allowances (RDA) as established by the Food and Nutrition Board of the National Research Council of the National Academy of Sciences **and** comply with the Dietary Guidelines for Americans.
3. To the maximum extent possible, special diet needs shall be accommodated.
4. The current monthly menu shall be posted in a place accessible and visible to all participants and other interested parties.
5. The center shall follow the written, posted menus. If a substitution must be made, the substitution shall be recorded on the written menu or a menu substitution sheet.
6. The center shall keep menus, including any substitutions, for the previous 12 months on file and have them available for review by any authorized state official.

7. Sufficient food supplies
 - a. When meal preparation occurs on-site, the center shall maintain sufficient food supplies on the premises to meet the planned menu for at least one week.
 - b. When meals are catered, a written plan for emergency food service and two days of non-perishable supplies shall be on hand.
- B. Suggested Meal Plan: The guide included in Appendix A provides the basis for meal planning. Meals planned according to this guide will help ensure that menus meet the standards as outlined in Section XIII.A.2. In cases of a participants advanced age and very light activity, centers may consider individual needs with respect to portion size and frequency of eating but shall not compromise overall nutrient intake. In addition to the suggested food servings, fluids shall be encouraged throughout the day.
- C. Food Service
 1. Each center shall provide participants with nutritionally balanced, attractive and satisfying meals in accordance with these regulations. Meals shall be served at the appropriate temperature and at normal meal hours. Texture modifications will be accommodated as needed.
 2. Nourishing snacks shall be available to participants between meals.
 3. Participants shall be allowed an adequate amount of time to eat each meal at an unhurried pace.
 4. Participants shall be encouraged to feed themselves, using adaptive equipment (utensil, dishes) where appropriate.
 5. Participants shall be provided with assistance in eating, as needed, by properly trained staff.
 6. Participants shall be provided with an alternative to the planned meal upon request. The adult day center shall determine what can be reasonably accommodated.
- D. Safe Food Handling
 1. Each center shall procure food from sources that comply with all laws relating to food and food labeling. Food shall be safe for human consumption, free of spoilage, filth or other contamination. All milk products served and used in food preparation shall be pasteurized. Cans

that are outdated or have dents, swelling or leaks shall be rejected and kept separate until returned to the supplier.

2. All perishable food and drink shall be labeled, dated and held at proper temperatures:
 - a. At or below 40 degrees Fahrenheit.
 - b. At or above 140 degrees Fahrenheit when served or heated prior to service.
3. All work surfaces shall be cleaned and sanitized after each use. Equipment and utensils shall be cleaned and sanitized after each use and stored properly.
4. The center shall ensure that food handling and storage techniques are consistent with safe food handling practices.

E. Food Storage and Equipment

1. All food and drink shall be stored so as to protect it from dust, insects, rodents, overhead leakage, unnecessary handling and all other sources of contamination.
2. Areas of the center's building used for storage of food, drink, equipment or utensils shall be constructed to be easily cleaned and shall be kept clean.
3. All food service equipment shall be kept clean and maintained according to manufacturer's guidelines.
4. All equipment, utensils and dinnerware shall be in good repair. Cracked or badly chipped dishes and glassware shall not be used.
5. Single service items, such as paper cups, plates and straws, shall be used only once. They shall be purchased and stored in sanitary packages or containers in a clean dry place and handled in a sanitary manner.
6. Access to the kitchen shall be limited to individuals involved with the food service. Exceptions may be granted at the discretion of the food service manager.
7. Doors, windows and other openings to the outdoors shall be screened against insects, as required by seasonal conditions.

8. All garbage shall be collected and stored to prevent the transmission of contagious diseases, creation of a nuisance, or the breeding of insects and rodents, and shall be disposed of at least weekly. Garbage or trash in the kitchen area must be placed in lined containers with covers.
9. Poisonous compounds (such as cleaning products and insecticides) shall be labeled for easy identification and shall not be stored in the food storage area unless they are stored in a separate, locked compartment within the food storage area.

XIV. Facility

A. Primary Adult Day Center Sites

1. A primary adult day center site is the identified main site for the adult day provider organization that provides the full range of services and hours of operation in a given region.
2. Adult day services shall be offered to participants a minimum of five (5) days per week, nine (9) hours per day at the primary adult day center site.

B. New or Satellite Adult Day Center Sites

1. For any provider wishing to obtain state certification and to receive either State or federal funding, a written request shall be submitted to the Department seeking approval to operate any new or satellite locations prior to opening and providing adult day services.
2. Prior to opening and providing adult day services, an adult day center shall demonstrate that the proposed new or satellite operation is in compliance with the Standards for Adult Day Services in Vermont.

C. Certified adult day centers shall be designed or remodeled to accommodate individuals in conformance with the requirements of Section 504 of the Rehabilitation Act of 1973, and 28 CFR, Part 36 implementing Title III of the Americans with Disabilities Act, P.L. 101-336, and any applicable Vermont or local accessibility requirements.

D. Prior to making renovations or additions that will involve structural changes, the adult day center shall:

1. Consult the Department.
2. Obtain all necessary town, city, or state permits (including the Department of Labor and Industry) prior to structural renovations or additions being

made **or** obtain documentation stating that approval of the work is not necessary **and** have one of the documents available for review.

E. Health and Safety:

1. The adult day center's building shall be designed, constructed and maintained in compliance with all applicable health and safety laws and regulations.
2. There shall be sufficient personnel working on a regular schedule and in conformity with generally accepted standards to ensure that the building is clean, sanitary and safe at all times.
3. Certified adult day centers shall meet all of the applicable fire safety and building requirements of the Department of Labor and Industry (DLI) and shall be inspected annually.
 - a. For those adult day centers that are inspected annually by the Department of Veterans Affairs for Life Safety Code compliance, that survey will be accepted as the annual review as long as a copy of the review (and, as necessary, an accepted plan of corrective action) is provided to the Department of Aging and Disabilities.
 - b. For those adult day centers that are inspected annually by the Department of Labor and Industry for Life Safety compliance due to their location within a hospital or nursing home, that survey will be accepted as the annual review as long as a copy of the review (and, as necessary, an accepted plan of corrective action) is provided to the Department of Aging and Disabilities.
 - c. For those adult day centers not already being inspected in one of the two ways outlined above, The Department of Labor and Industry shall complete an annual inspection for Life Safety compliance.

F. Environment:

1. A center shall have a sign outside clearly identifying the name of the adult day center.
2. An adult day center shall be designed and furnished with consideration for the special needs and interests of the people to be served and the activities and services to be provided.
3. Lighting in all areas shall be adequate to support the safety of participants and facilitate the activities of the program.

4. Noise levels shall be controlled.
5. Heating, cooling and ventilation system(s) shall afford comfortable conditions for participants.
6. There shall be sufficient furniture to accommodate the needs of all participants. Furniture and equipment to be used by participants shall be selected both for comfort and safety, and to enhance personal independence of participants.
7. Where possible, a covering shall be provided over one outside entrance to protect participants from inclement weather.
8. A telephone shall be available for participants.
9. The center shall make arrangements as necessary for the security of the participants and their possessions in the facility.
10. When necessary, arrangements shall be made with local authorities to provide safety zones for those arriving by motor vehicles and adequate traffic signals for pedestrian crossing
11. Emergency first-aid kits shall be available in the program area.

G. Location and Space:

1. In addition to complying with all applicable building codes and zoning requirements, the selection of a site shall be based, to the extent possible, on the needs of potential participants, and shall include consideration of the following factors:
 - a. Demographic information and projections
 - b. Greatest accessibility to the communities from which participants are drawn
 - c. Proximity to other services and facilities
 - d. Convenience of public or private transportation
 - e. Safety and security of participants and staff.
2. When possible, the center shall be located at ground level.

3. An adult day center may share a facility with another type of program or service (i.e. a nursing home, residential care home, or senior center), however the adult day center is required to have separate program space.
4. Space Needs. The center shall have sufficient space to accommodate the full range of programs activities and services including:
 - a. At least sixty (60) square feet of program space for each participant.
 - 1) It is strongly recommended that centers serving a significant number of people with cognitive impairments or those who use adaptive equipment for ambulation or medical care provide eighty to one hundred (80 – 100) square feet per participant.
 - 2) In determining adequate square footage, only those activity areas commonly used by participants are to be included. Dining and kitchen areas are to be included only if those areas are used by participants for activities other than meals. Reception areas, storage areas, offices, restrooms, passageways, treatment rooms, service areas, or specialized spaces used only for therapies are not to be included when calculating square footage.
 - b. Sufficient flexibility and adaptability for large and small groups, and for individual activities and services.
 - c. Sufficient private office space to permit staff to work effectively and without interruption.
 - d. Adequate storage space.
 - e. At least one toilet for every 10 participants, easily accessible from all areas.
 - f. Areas separate from program space that provide sufficient space for a rest area, for special therapies, for privacy, and for isolating participants who become ill.
 - g. A sufficient parking area for the safe daily arrival and departure of participants.
 - h. Outdoor space that is used for outdoor activities shall be safe, accessible to indoor areas, and accessible to those with a disability.

- i. Adequate space (such as closets and separate lockers), for outer garments and private possessions.
- j. Adequate dining, kitchen and storage space shall be available for meal and snack service as outlined in Section XI.

XV. Waiver: An adult day center may request a variance to any of these standards by contacting the Department.

- A. A variance may be granted if:
 - 1. Strict compliance would impose a substantial hardship on the participants or the service providers.
 - 2. The goal of the standard will otherwise be met.
 - 3. The variance will not result in less protection of the health, safety, and welfare of the participant.
 - 4. The variance will be in compliance with applicable state and federal regulations.
- B. The variance request shall include:
 - 1. The standard for which a variance is being requested.
 - 2. An explanation of why the standard cannot be met by the center.
 - 3. The extent to which the center will be able to meet the standard.
 - 4. The timeline in which the center will come in to compliance with the standard, if applicable.
- C. The Department shall respond in writing within sixty (60) days of receiving the variance request.
